**Eisley**

Eisley - Lights Out  
Capo: 1

**E**            **A**    **E**            **A**  
Away with me, away with you  
**E**            **A**            **F#m**  
Away with sight and all its darkness  
**E**                    **A**    **E**                    **A**  
We ll find a shell, we ll crawl inside  
**E**            **A**            **F#m**                    **A**  
Body make homes and no one can take that away  
**F#m**                                    **A**  
no no one can take that away, no

[CHORUS]  
**F#m**        **A**    **C#m**  
Lights out I m on your feathers  
**F#m**        **A**    **C#m**  
Wings out I m a bird, I m a bird  
**F#m**            **A**    **C#m**  
Mountain tops make me feel better

[Verse 3]  
**F#m**        **C#m**        **F#m**        **A**  
Boat at sea, see it float  
**F#m**                                    **C#m**        **A**  
We drown if there s no hope  
**F#m**            **C#m**            **F#m**            **A**  
Take my hand, lets step outside  
**F#m**                    **C#m**        **A**  
See? We are still home

CHORUS]  
**F#m**        **A**    **C#m**  
Lights out I m on your feathers  
**F#m**        **A**    **C#m**  
Wings out I m a bird, I m a bird  
**F#m**            **A**    **C#m**  
Mountain tops make me feel better
