

Somebodys Baby
El Perro del Mar

Intro:(And rest of song) **Bb** | **C** | **Am** | **Bb** |

Bb **C**
Somebody s baby
Am **Bb**
Somebody s baby now

You was somebody s baby but
You went back up into the sky
You was somebody s daddy but
You kissed them all goodbye

There s a minute for everything
There s an answer for everyone
Just like the day when you was born
You will always be

Somebody s baby
