```
Blue
Elastica
Intro: A, F, E, D
John s gone his sense is loaded
over by your house it s so basic
I think you re faking have a good time but don t get into my head
Do you recommend I wait a while
direct and live or keep it constant and selective
Chorus:
Α
Blue
                \mathbf{E}
                      D
I can read your mind, if you want to I will let you
Blue
I can read your mind, if you want to I will let you
(after the chorus bit, on the album version, acoustic just repeats the
first verse)
       F
                E
                        D
John s gone, he needs attention do you understand his inclination?
I ve seen you shaking, comedown here and I ll show you the wrong way
try to rearrange this tired old line connect this smile and
keep it standard and reflective
```

Repeat chorus

End with the bridge

A F E (slow down here) D A
