Connection
Elastica

Tabbed by: keith

Tuning: Standard (EADGBE)

Intro 1- Play 2x, listen to the song for the beats, synthesized noise used
```
e|-----------e---------e----------------------------|
B|-----------s---------s----------------------------|
G|-----------u---------u----------------------------|
D|-3---3-3-3-a---3-3-3-a---3-3--8-6-6--6-------------|
A|-1-0-1-1-1-p-0-1-1-1-p-0-1-1--6-4-4--4-------------|
E|--------------------------------------------------|
```

Next Part Comes in With the Robotic Voice Saying Yeah
Intro 2
```
e|--------------------------------------------------|
B|--------------------------------------------------|
G|--------------------------------------------------|
D|-3-3-3-3-3---3-3-3-3-3---3-3-3-3-3-8-8-6-6---------|
A|-1-1-1-1-1-0-1-1-1-1-1-0-1-1-1-1-1-6-6-4-4---------|
E|--------------------------------------------------|
```

Guitar 2- Weird synthesized noise
```
E|---------------------|
B|---------------------|
G|-15s10-15s10---------|
```

Verses
One guitar plays the Intro Riff with the beat pattern
Second guitar plays Intro 2

Pre-Chorus
```
e|---------------------------------------------------|
B|---------------------------------------------------|
G|--------------------11-10-11-10-11-10-11-10--------|
D|-4-4-4-4-4-4-4-4-4---------------------------------|
A|-4-4-4-4-4-4-4-4-4---------------------------------|
E|-2-2-2-2-2-2-2-2-2---------------------------------|
```

Chorus- I dont understand how a heart is a spade
```
e|---------------------------------------------------|
B|-8-8-8-8-8-8-8--10-10-10-10-10-10-10---------------|
G|-8-8-8-8-8-8-8--10-10-10-10-10-10-10---------------|
D|---------------------------------------------------|
A|---------------------------------------------------|
E|---------------------------------------------------|
```

After this part

Guitar 1 plays Intro 2
Guitar 2 plays
G|-15-13--15--13-15-repeat-------> there are pauses between the notes
then G|--15s10--15s10------------> Repeat this process until the next verse
comes in
NOTE: Intro 1 is also being played

Ending, after the Chorus is played twice, play intro 1, but without the
synthesized
noise, then G|--15s10--15s10--------------

End on
G--3--
D--3--
A--1--
E-----

That its, very catchy song, any problems or comments let me know, *, thanks !!!
