Bass tab by Lee Hooper (mailto:*)

The bass line is something like this

```
G|-----  
-----  
D|-----3---5-----3---5-----2---  
4-----2---4-----5---7---  
A|-----5--7-----5--7---355---5---5---355---5---5---244---4---4---  
244---4---4?577---7---7  
E|--577---7---7--577---7---7-----  
-----
```

This is the same riff the whole way through the song

(B D C# E) four chords which are based throughout the whole song
