

Lost on the tide So cold inside

E **D** **B**

Do you know I've been out of my mind

E **D** **B**

Cos I know what you fear you will find

A

You were talking to some girl

B

Who said that she'd seen you before

A

Oh my head's such a mess

B

Till I hear your key in the door

A **B**

Oh yeah..., Oh yeah
