Intro: Gm Dm Gm Dm

Gm

I am electric

Dm

With a bottle in me, got a bottle in me.

Gm

Dm

And glory be these fuckers are ignoring me.

Gm

I m from another century.

I am a preacher

Dm

When I ve got it on me, and I ve got it on me

Gm

Dm

And glory be these fuckers are ignoring me

Gm

We never learn from history

F

Hey

G

I am the beau who loved her so in every song

F

And I designed that little mystery on your tongue

G

I ve broken jaws protecting laws to keep you free

I made your day so take a seat by me

Gm Dm Gm Dm

Gm

I am an old tree

Dm

Gonna talk my jaw free, someone come and get me

Gm

Dm

Another night beside myself would finish me

Gm

Give us G & T and sympathy

I am the diehard

Dm

with an empty dance card propping up a young bar

Gm

Dm

I m pouring oil in double time upon the troubled rising tide inside of me

Gm

Upon my history

F

Hey

G

I am the beau who loved her so in every song

F

And I designed that little mystery on your tongue

G

I ve broken jaws protecting laws to keep you free

I made your day so take a seat by me
