

**Fly Boy Blue Lunette**  
**Elbow**

start with the  
Capo on 3

**Em**

It s a lethal ballet  
Air traffic congestion  
I m having a baby  
Second thoughts, scotch, dinner

**Bm**

And someone s dancing on the box  
A former MP  
And no one was watching

**C**

My oldest friends are a serious habit

**B7**

Fly boy blue, so bring your faces home,  
To my sweet trampoline

**Em**

And acres of crash site love

=====

The first part is like this all the way through, but the moment the second part starts,

PULL OFF THE CAPO. I m certain the guitarist in the video does this too

=====

NO CAPO

*Bridge:*

(play twice)

**Cadd9 - G - Em - D**

oooooooooh Lalalala Lalalala

**Cadd9**

What can be said of the cigarette smokes?

**G**

A prop for a joke or a mark on the clock

**Em**

If I stopped would the bus ever come

**D**

Would the dawn ever kiss me, forgiven me, knowing what s done?

**Cadd9**

Would the drivel make scribble make sense and then song?

**G**

Would the woodbines denied like the northern man s thumbs?

**Em**

Perverse as it may sound I sometimes believe

**D**

The tip to my lips just reminds me to breathe
