

Grace Under Pressure
Elbow

From Cast Of Thousands, couldn't find a version on the net that sounded right so had a go myself.

Watched him play this live, had a capo on the 5th fret.

Not sure if this is exact, but sounds almost perfect to me.

Tune guitar to OPEN D tuning

CAPO 5th, tab in relation to capo, its pretty easy to work out how it should sound.

```

Then the song gets a bit faster, but you just repeat this over and over, sounds really nice.
