(This is also played throughout the verses)

E

V1: I plump the kind of kiss that wouldn t wake a baby

On the self-same face that wouldn t let me sleep

And the street is singing with my feet,

And the dawn gives me a shadow I know to be taller

G A E*

G F#m E* (stop)

B1: All down to you, dear____, everything has changed

E

V2: My sorriness has made it to graffiti

I was looking for someone to complete me

G A E

G F#m E*

B2: Not anymore, dear____, everything has changed

G

A

E*

C1: When we make the moon our mirror ball

G A E*

The street s an empty stage

G A E*

The city sirens; violins

G F#m E*

Everything has changed
