

**My Very Best
Elbow**

Intro: **Bb F D** 2x

Bb **F**
Well, give that girl my very best
Though it never made the grade
Bb
If it seems that it s just not enough to love
F
Then love lie down

F
And would you tell her
D **Bb**
Not to talk as if I died
F
Though a tiny part just did.
And would you tell her
D **Bb**
I m from a long line of survivors
D
And I ll be swinging with the kids

Bb
So Keep your sympathy
F **D**
Don t need the healing to start
Bb
You ve gone
F **D**
Gone and made a beautiful hole in my heart

Bb
In the corner of the room
F
In the room we used to love
Of the love we should say this
Bb
There were switches never flicked
Long away and far apart
F

That s how forest fires start

Start again it felt like this

D

Fresh and simple as a kiss

Bb

I bounce these feelings off the moon

D

The echoes don t come back

Bb

Keep your sympathy
