

New York Morning  
Elbow

*Intro:*

**B A6 B Eadd9 Amaj7 B A6 Eadd9**

*verse 1:*

**B** **A6**  
The first to put a simple truth in words

**B** **Eadd9**  
Binds the world in a feeling all familiar

**Amaj7** **B**  
Cause everybody owns the great ideas

**A6** **Eadd9**  
And it feels like there s a big one round the corner

**B** **A6**  
Antenna up and out into New York

**B** **Eadd9**  
Somewhere in all that talk is all the answers

**Amaj7** **B**  
And oh, my giddy aunt, New York can talk

**A6** **Eadd9**  
It s the modern Rome where folk are nice to Yoko

*verse 2:*

**B**  
Every bone of rivet steel

**A6**  
Each corner stone and angle

B

Jenga jut and rusted water tower

Eadd9

Pillar post and sign

Amaj7

B

Every painted line and battered ladder building in this town

A6

Eadd9

Sings a life of proud endeavour and the best that man can be

*verse 3:*

B

A6

Me I see a city and I hear a million voices

B

Eadd9

Planning, drilling, welding, carrying their fingers to the nub

Amaj7

Reaching down into the ground

B

Stretching up into the sky

Why?

A6

Because they can

They did and do

Eadd9

So you and I could live together

B A6 B Eadd9 Amaj7 B A6 Eadd9 B

*Chorus:*

A6

Oh my god, New York can talk

B

Eadd9

Somewhere in all that talk is all the answers

Amaj7

B

Everybody owns the great ideas

A6

Eadd9

And it feels like there s a big one round the corner

B A6  
Oh my god, New York can talk

B Eadd9  
Somewhere in all that talk is all the answers

Amaj7 B  
Everybody owns the great s ideas

B Eadd9  
Somewhere in all that talk is all the answers

Amaj7 B  
Everybody owns the great s ideas

A6 Eadd9  
And it feels like there s a big one round the corner

B A6  
The desire in the patchwork symphony

B Eadd9  
The desire like a distant storm

Amaj7  
For love

B  
Did it come from me

A6 Eadd9  
Cause it feels like there s a big one round the corner

B A6  
Oh my god, New York can talk

B Eadd9  
Somewhere in all that talk is all the answers

Amaj7 B  
Everybody owns the great ideas

A6 Eadd9  
And it feels like there s a big one round the corner
