To my eyes

Taste my tears

On your tongue,
Pull the blinds
Play our song
Nothings changed
Nothing could be wrong.

Scream in the night

A
Kick and strike

Em
Like a newborn
Em
Holding me shaking

Awake in the dark

All of these promises

Kept and unbroken

Tracing the scars

Em
Tracing the scars

D **G**
Even and cold

As we both become older.

Your arms bound about me

The hush in your voice.

D **G**
The warmth of your fingers

Entwined around mine

In the eve of our lives

Em
Never a choice.
