

This Blue World
Elbow

Elbow - This blue world

Bb Gm

This blue world and her countless sisters
And all that came before that day
Our atoms straining to align
Was the universe in rehearsal for us

F Bb Dm Bb Am
When all the world is sucking on its sleeve

Gm C F C Dm
You ll hear an urgent morse in the gentle rain

Gm C F C Dm
And if you plot your course on the window pane

Gm C F C Dm Bb Bbm
You ll see the coldest star in the arms of the oldest tree

F
And you ll know to come to me

In the back of a broken car
When the blizzard blossom flew
Reading aloud with our fingers
What we both already knew
And the blizzard blossom flew

When all the world is sucking on its sleeve

F Am Gm Dm (x2)

F

A sober midnight wish Flies over the roofs and down through the years

Gm

Would that you and yours are sleeping

Dm

Safe and warm in size formation

F

Am

While three chambers of my heart beat true and strong with love for another

Gm

Dm

The fourth the fourth is yours forever
