10538 Overture
Electric Light Orchestra (ELO)

```
C#                                              F#           F#m
1. Did you see your friend crying from his eyes today?
   C#                                           F#          F#m
   Did you see him run, through the streets and far away?
    C#              C#4              G#m
   Did you see him run, did you see him fall?
   Eb              Eb4              Bbm
   Did his life flash by at the bedroom door?

2. Did you hear the news? It came across the air today.
   Someone has been found on the rocks down in the bay.

3. Did you see that man running through the streets today?
   Did you catch his face, was it 10538?
