Refrão:

G D Am
Hey Boy Blue is back.
G D Am
Hey Boy Blue is back.
G D Am C G
Hey Boy Blue is back.

G
I ve see bold knights, dropping
D Am
down like flies.
G D Am
I ve see kings, rolling in the mire,
G D
I ve seen God, point the finger of
Am C (G)
doom to our foes.

G D Am
I have fought in the holiest wars,
G
I have smashed, some of the
D Am

holiest jaws.

G **D**
I ve been jailed, been impaled, and
Am **C** **(G)**
been dragged through the world.

G **D**
One thing, I have learned through
Am
these years,

G **D**
Is that no man, should be stricken
Am
with fear.

G **D**
It should be that he walks with no
Am **C** **(G)**
care in the world.

G **D**
So my friends, who are gathered
Am
today,

G **D** **Am**
Hear this clear, for I ll not further say,

G **D**
That no man, shall cause me to take
Am **C** **(G)**
up arms again.
