Refrão:

**G#** **Eb** **Bbm**  
Hey Boy Blue is back.  
**G#** **Eb** **Bbm**  
Hey Boy Blue is back.  
**G#** **Eb** **Bbm** **C#** **G#**  
Hey Boy Blue is back.

**G#**  
I ve see bold knights, dropping  
**Eb** **Bbm**  
down like flies.  
**G#** **Eb** **Bbm**  
I ve see kings, rolling in the mire,  
**G#** **Eb**  
I ve seen God, point the finger of  
**Bbm** **C#** **(G#)**  
doom to our foes.

**G#** **Eb** **Bbm**  
I have fought in the holiest wars,  
**G#**  
I have smashed, some of the  
**Eb** **Bbm**

holiest jaws.

**G#**

**Eb**

I ve been jailed, been impaled, and

**Bbm**

**C#**

(**G#**)

been dragged through the world.

**G#**

**Eb**

One thing, I have learned through

**Bbm**

these years,

**G#**

**Eb**

Is that no man, should be stricken

**Bbm**

with fear.

**G#**

**Eb**

It should be that he walks with no

**Bbm**

**C#**

(**G#**)

care in the world.

**G#**

**Eb**

So my friends, who are gathered

**Bbm**

today,

**G#**

**Eb**

**Bbm**

Hear this clear, for I ll not further say,

**G#**

**Eb**

That no man, shall cause me to take

**Bbm**

**C#**

(**G#**)

up arms again.
