**A** **E** **Bm**  
Hey Boy Blue is back.

**A** **E** **Bm**  
Hey Boy Blue is back.

**A** **E** **Bm** **D** **A**  
Hey Boy Blue is back.

**A**  
I ve see bold knights, dropping  
**E** **Bm**  
down like flies.

**A** **E** **Bm**  
I ve see kings, rolling in the mire,

**A** **E**  
I ve seen God, point the finger of  
**Bm** **D** (**A**)  
doom to our foes.

**A** **E** **Bm**  
I have fought in the holiest wars,

**A**  
I have smashed, some of the  
**E** **Bm**

holiest jaws.

**A**

**E**

I ve been jailed, been impaled, and

**Bm**

**D**

(**A**)

been dragged through the world.

**A**

**E**

One thing, I have learned through

**Bm**

these years,

**A**

**E**

Is that no man, should be stricken

**Bm**

with fear.

**A**

**E**

It should be that he walks with no

**Bm**

**D**

(**A**)

care in the world.

**A**

**E**

So my friends, who are gathered

**Bm**

today,

**A**

**E**

**Bm**

Hear this clear, for I ll not further say,

**A**

**E**

That no man, shall cause me to take

**Bm**

**D**

(**A**)

up arms again.
