Four Little Diamonds
Electric Light Orchestra (ELO)
Intro: Gm Bb C
      Gm Bb C
Verse:
Gm Bb C
       I used to think she was the greatest thing
Gm Bb C
       I really cared gave her a diamond ring
Gm F# F
      She said she d rather die than ever leave me
      Well, I never saw her face since then
                  Bb
      And if the law don t get her then I will
      Four little diamonds
Verse:
Gm Bb C
      She must be somewhere on the open road
      She always said she was the lonely one
Gm F# F
      She gets you down with her tales of woe
      She took me for everything
                Bb
      And if the law don t get her then I will
      Four little diamonds
Bb F
                   C
                                Вb
                                       Gm
      Four little diamonds
Chorus:
     G#
                                    Ebm
      I looked around I climbed up high into the dawn
                  Bbm
      But she was gone with the night
      I thought about the things she said
      And all the things we d done
                                           Gm
      But where could she run
                      Gm
                                G#
                                      Вb
                                           В
                                                  C
      There s just no answer to give
```

```
Gm Bb C
      I keep wondering about her day and night
      She probably thinks I was a fool - she s right
Gm F# F
      She don t know it but I m gonna keep on searching for that woman
      I m gonna search everywhere
      And if the law don t get her then I will
      Four little diamonds
                             Вb
Вb
                                    Gm
      Four little diamonds
Chorus:
     G#
                                   Ebm
      I looked around I climbed up high into the dawn
                  Bbm
      But she was gone with the night
     G#
      I thought about the things she said
      And all the things we d done
           G#
                 Gm
                       G#
                        ôh ôh ôh ôh
      But she runaway
                      Gm
      There s just no answer to give
Gm Bb C
Verse:
Gm Bb C
      I still hear her calling out to me
Gm Bb C
      I still listen for her endlessly
Gm F# F
      But it never even crossed my mind she was a cheater
      I gotta find where she hides
                    Bb
       Cause if the law don t get her then I will
      Four little diamonds
       Cause if the law don t get her then I will
      Four little diamonds
       Cause if the law don t get her then I will
      Four little diamonds
Gm Bb C
```

Verse:

Four little diamonds

Gm Bb C
