Electric Light Orchestra (ELO)

Intro: **F#m A B**

    F#m A B

Verse:
F#m A B
    I used to think she was the greatest thing
F#m A B
    I really cared gave her a diamond ring
F#m F E   **B**
    She said she d rather die than ever leave me
            F#
    Well, I never saw her face since then
              A   **E**
    And if the law don t get her then I will
               B
    Four little diamonds

Verse:
F#m A B
    She must be somewhere on the open road
F#m A B
    She always said she was the lonely one
F#m F E   **B**
    She gets you down with her tales of woe
        F#
    She took me for everything
            A   **E**
    And if the law don t get her then I will
               B
    Four little diamonds
A E   **B**   **A**   **F#m**
    Four little diamonds

Chorus:
   G   **Dm**
    I looked around I climbed up high into the dawn
            Am   **Em**
    But she was gone with the night
   G   **Dm**
    I thought about the things she said

    And all the things we d done
    G   **F#m**   **G**   **F#m**
    But where could she run
   G   **F#m**   **G**   **A**   **Bb**   **B**
    There s just no answer to give

```
Verse:
F#m A B
      I keep wondering about her day and night
F#m A B
      She probably thinks I was a fool - she s right
F#m F E                                                          B
      She don t know it but I m gonna keep on searching for that woman
          F#
      I m gonna search everywhere
                 A                      E
      And if the law don t get her then I will
                   B
      Four little diamonds
A   E             B          A      F#m
      Four little diamonds

Chorus:
     G                          Dm
      I looked around I climbed up high into the dawn
                  Am                Em
      But she was gone with the night
     G                          Dm
      I thought about the things she said

      And all the things we d done
         G      F#m      G         F#m
      But she runaway   ôh ôh ôh  ôh
        G               F#m          G   A   Bb      B

F#m A B

Verse:
F#m A B
      I still hear her calling out to me
F#m A B
      I still listen for her endlessly
F#m F E                                               B
      But it never even crossed my mind she was a cheater
         F#
      I gotta find where she hides
                    A                      E
       Cause if the law don t get her then I will
                   B
      Four little diamonds
                    A                      E
       Cause if the law don t get her then I will
                 B
      Four little diamonds
       Cause if the law don t get her then I will
                   B
      Four little diamonds
F#m A  B
