

## Hold On Tight

Electric Light Orchestra (ELO)

**A**                    **E**                    **A**  
Hold on tight to your dream  
**D**    **A**  
Hold on tight to your dream  
**D**    **A**  
When you see your ship go sailing  
**D**    **A**  
When you feel your heart is breaking  
**A**                    **E**                    **A**  
Hold tight to your dream.

It's a long time to be gone  
Time just rolls on and on  
When you need a shoulder to cry on  
When you get so sick of trying  
Just hold tight to your dream

Chorus:

**F#m**            **C#m**                    **F#m**            **C#m**  
When you get so down that you can't get up  
                                 **Bm**            **E**                    **Bm**                    **E**  
And you want so much but you're all out of luck  
                                 **F#m**            **C#m**                    **F#m**            **C#m**  
When you're so downhearted and misunderstood  
                                 **Bm**            **C#m**            **D**                    **E**  
Just over & over & over you could

Accroches-toi a ton reve  
Accroches-toi a ton reve  
Quand tu vois ton bateau partir  
Quand tu sents -- ton coeur se briser  
Accroches-toi a ton reve.

Chorus.

Hold on tight to your dream  
Hold on tight to your dream  
When you see the shadows falling  
When you hear that cold wind calling  
Hold on tight to your dream.

Oh, yeah  
Hold on tight to your dream  
Yeah, hold on tight...  
To your dream
