It was one of those nights,
One of those nights when you feel the fire is burning,
Everybody was there, everybody to share, it felt so right.

There you were on your own,
Looking like you were the only one around,
I had to be with you, nothing else that I could do,
I should have been away, but I knew I d have to say.

(Chorus) Solo: **F#m C#m Bm C#m F#m**

Underneath a starry sky,
Time was still but hours must really have rushed by,
I didn't realize, but love was in your eyes
I really should have gone, but love went on and on...

(Chorus)
