

**Midnight blue**  
**Electric Light Orchestra (ELO)**

**Am**

I see the lonely road that leads so far away,

**Gm Bb C**

I see the distant lights that left behind the day

**F Eb D**

But what I see is so much more than I can say

**Gm Bb C F**

And I see you midnight blue.

I see you cryin now you ve found a lot of pain,

And what you re searchin for can never be the same,

But what s the difference cos they say what s in a name.

And I see you midnight blue.

Chorus

**F Bb C F Cm Bb**

I will love you tonight, and I will stay

**Bbm F Dm Bb C F**

By your side, lovin you, I m feelin midnight blue.

I see you standing there far out along the way,

I want to touch you but the night becomes the day,

I count the words that I am never gonna say

And I see you midnight blue.

Repeat Chorus

Can t you feel the love that I m offering you,

Can t you see how it s meant to be,

Can t you hear the words that I m saying to you,

Can t you believe like I believe,

It s only one and one it s true

Still I see you midnight blue.

I see beautiful days and I feel beautiful ways

Of loving you, everything s midnight blue.

Repeat Chorus
