

Midnight blue
Electric Light Orchestra (ELO)

Gm

I see the lonely road that leads so far away,

Fm **G#** **Bb**

I see the distant lights that left behind the day

Eb **C#** **C**

But what I see is so much more than I can say

Fm **G#** **Bb** **Eb**

And I see you midnight blue.

I see you cryin now you ve found a lot of pain,

And what you re searchin for can never be the same,

But what s the difference cos they say what s in a name.

And I see you midnight blue.

Chorus

Eb **G#** **Bb** **Eb** **Bbm** **G#**

I will love you tonight, and I will stay

G#m **Eb** **Cm** **G#** **Bb** **Eb**

By your side, lovin you, I m feelin midnight blue.

I see you standing there far out along the way,

I want to touch you but the night becomes the day,

I count the words that I am never gonna say

And I see you midnight blue.

Repeat Chorus

Can t you feel the love that I m offering you,

Can t you see how it s meant to be,

Can t you hear the words that I m saying to you,

Can t you believe like I believe,

It s only one and one it s true

Still I see you midnight blue.

I see beautiful days and I feel beautiful ways

Of loving you, everything s midnight blue.

Repeat Chorus
