Intro: B F# F#m E Ebm
Daylight comes to those who live

But those who die they never see
The sun come shining throught their window pane
             Ebm
They pass away.
Silly girl to be a fool
You didn t play the golden rule

Cos once you re through with one world
There s another waiting there

Help me such a lonely soul
In dreams to leave behind the world.

Mr. Kindom help me please
To find the rainbows end
Looking from this empty room

The corridors of endless gloom
Go crawling through the night
To meet the dawn that s on its way.
Oh to sleep, per-chance to dream.
```
