I can feel the need in me. Uuuh Uuuh Uuuh

Hold on, nightrider baby,
C6 C7 Em
Hold on you re a nightrider,
Dm G Dm G
Riding the night, searching for what is gone,

Never reaching the end, so you must travel on.

I still see that vision of delight,

While cruising on the black of night,

Looking out the corner of her world,

Nobody ever knows a girl, who once lived along this way. Uuuh Uuuh
