

Nightrider

Electric Light Orchestra (ELO)

INTRO: **Bm** **Am** **G** **F#7** **G#**

Bm **Am**
I remember somewhere in the rain,
G **F#7**
The faces of the passers-by,
G#
Staring faces broken blinds,
Bm **Am** **G** **F#7**
I recall the situation clearly standing in a crowded car,
G# **A°** **G/A** **G°**
I can feel the need in me. Uuuh Uuuh Uuuh

CHORUS:

D **D5+**
Hold on, nightrider baby,
D6 **D7** **F#m**
Hold on you re a nightrider,
Em **A** **Em** **A**
Riding the night, searching for what is gone,
Em **A**
Never reaching the end, so you must travel on.
Bm **Am**
I still see that vision of delight,
G **F#7**
While cruising on the black of night,
G#
But she keeps a step ahead,
Bm **Am**
Looking out the corner of her world,

Nobody ever knows a girl, who once lived along this way. Uuuh Uuuh
