Letra:

I was goin round the world,  
I was looking for somewhere,  
I was searchin for someone,  
Who was gonna take me there,

Didn t want to do it, cause I knew what I d find,  
You re really only livin in a state of mind,

I was thinkin of the past,  
I was tryin to wrack my brain,  
I was looking at the future,  
I was trying to play the game,

Didn't want to do it, cause I knew what I'd find,  
You're really only livin' in a state of mind,

Sometimes you get lost, sometimes you get found,  
In a state of mind,  
Sometimes you're too high, sometimes you're too down,  
It's just a state of mind,

Didn't want to do it, cause I knew what I'd find,  
You're really only livin' in a state of mind,

Sometimes you get lost, sometimes you get found,  
In a state of mind,  
Sometimes you're too high, sometimes you're too down,  
It's just a state of mind,

You think you know it all,  
Then you think that you know nothing,  
Can't dance; can't crawl,  
Maybe you better forget it,

Didn't want to do it, cause I knew what I'd find,  
You're really only livin' in a state of mind.
