```

Intro:

```
    Ebm
     Remember the good old 1980´s?
    Bbm
     When things were so uncomplicated.
    B
I wish I could go back there again
    Bb
     And everything could be the same.
```

Verse:

```
                  Ebm
    I´ve got a ticket to the moon
     G#                      Ebm
    I´ll be leaving here any day soon
     G#                 Ebm            C#    B
    Yeah, I´ve got a ticket to the mo-o-on
            C#              F#          Bb
    But I´d rather see the sunrise in your eyes.

    Got a ticket to the moon
    I´ll be rising high above the earth so soon
    And the tears I cry might turn into the rain
    That gently falls upon your window
    You´ll never know.
```

Chorus:

```
          Ebm     C#          B      Bb
       Ticket to the moon (ticket to the moon)
       Ticket to the moon (ticket to the moon)
        Ebm           C#      B            Bb
       Ticket to the moon (ticket to the moon).
                                    Ebm Bbm Ebm Bbm

        B
       Fly, fly through a troubled sky
          C#                              Ebm
```

Up to a new world shining bright, oh, oh.

Verse:
    Flying high above
    Soaring madly through the mysteries that come
    Wondering sadly if the ways that led me here
    Could turn around and I would see you there
    Standing there (and I would see you there, waiting...)

    Ticket to the moon
    Flight leaves here today from Satellite Two
    As the minutes go by, what should I do?
    I paid the fare, what more can I say?
    It´s just one way (only one way)...

Chorus x2
