Confusion

Verse 1:

C **Am**
Everywhere the sun is shining.
Dm **G**
All around the world it s shining.
C **Am** **Dm** **G** **F**
But cold winds blow across your mind.

Chorus;

C
Confusion--it s such a terrible shame.
F **Fm**
Confusion--you don t know what you re sayin .
F **C** **Fm** **C**
You ve lost your love and you just can t carry on. (can t carry on)
F **C** **Fm** **G**
You feel there s no-one there for you to lean on. (to lean on)

Verse 2:

Every night you re out there darlin .
You re always out there runnin .
And I see that lost look in your eyes.

Chorus 2:

Confusion, I don t know what I should do.
Confusion, I leave it all up to you.
You ve lost your love and you just can t carry on. (can t carry on)
You feel there s no-one there for you to lean on. (to lean on)

Verse 3:

Dark is the road you wander.
And as you stand there under.
The starry sky, you feel sad inside.

Chorus 3:

Confusion, you know it s drivin me wild.
Confusion, it comes as no big surprise.
You ve lost your love and you just can t carry on. (can t carry on)
You feel there s no-one there for you to lean on. (to lean on)
