Well, I heard the crowd singin out of tune

**D** **A** **G**  
As they sat and sang Auld Lang Syne by the light of the moon

I heard the preachers bangin on the drums

**D** **A** **G**  
And I heard the police playin with their guns

**G** **D** **A** **G**  
But I never heard nothin like you

**D\*** **A\***  
In the country where the sky

**Gsus4\***  
Touches down on the field

**G\*** **D\***  
She lay her down to rest in the mornin sun

**D\*** **A\***  
They came -a-runnin just to get a look

**Gsus4\*** **G\***  
Just to feel, to touch her long black hair

They don t give a damn

**G** **D** **A** **G**  
But I never seen nothin like you

**D** **A** **G**  
Do ya, do ya want my love?

**D** **A** **G**  
Do ya, do ya want my face?
