Helpless
Electric Light Orchestra

Bm   D C#m F#   Bm   D C#m F#
Helpless, helpless, helpless, helpless

verse 1
D   C#m   F#   Bm
I thought about it but I couldn t think of what to say
        Em   A   D   G A
But I thought about it anyway, yeah
D   C#m F# Bm
I tried to tell you what you mean to me
        Em   A   D   G A
But it didn t come so easily, no

Bridge
C#m
I never reckoned
    C
For more than a second
     B   A#
Just how it would be on my own

        Bm   D   C#m F#
I d be helpless, without you
        Bm   D   C#m F#
I d be helpless, without you

Bridge 2
B   D#m   E
The dawn that calls beyond the night
                Em
Tells its old story
G   Bm   C
The shadows fade into the light
            D#
In all it s glory

E
Helpless

```
E
Helpless, baby, I m a helpless
E
Helpless, baby
       Bm
I m a helpless

verse 2
D                        C#m     F#      Bm
If I could put a good shine on the past
       Em                    A        D      G  A
Do you think that we could make it last, oh yeah
D       C#m      F#       Bm
Seems to mind the time goes fast
   Em           A       D
I wonder if the vote is cast

Bridge
C#m
Now that you mention it
C
Got my attention
  B                        Bb
I quite clearly blew me away

      Bm      D            C#m  F#
I d be helpless, without you
      Bm      D             C#m F#
I d be helpless, without you

Bridge
    B               D#m                E
The dawn that calls beyond the night
              Em
Tells its old story
 G         Bm              C
The shadows fade into the light
           D#
In all it s glory

E
Helpless
E
Helpless, baby, I m a helpless
E
Helpless, baby
```

```
        Bm        D              C#m F#
I m a helpless, without     you
         Bm        D              C#m F#
I d be helpless, without     you

        Bm        D              C#m F#
I m a helpless, without     you
         Bm        D              C#m F#
I d be helpless, without     you
```
