

Julie Don't Live Here
Electric Light Orchestra

G
I wander through a town

A
A town I new so well but it seems so strange

Em **D C**
The wind blows cold

C **G**
I remember when I thought your street was paved with gold

G
I walked along the street

A
A street I walked along many times before

Em **D C**
The things have changed

C **G**
Everything I knew was gone or rearranged

G **C** **D**
Julie don t live here anymore

G **C** **D**
she moved away many years before

G **D F** **C**
How can it be, this I can t believe

G **C** **D G**
Julie don t live here anymore

G
I walked up to your door

A
last night I saw your face in the window

Em **D C**
but it was different now

C **G**
the lonely light where we used to be quite gone

G
I thought about your smile

A
your laughing eyes and the things you said to me

Em **D C**
I felt so sorry for you

C **G**
for all the nights we spent hanging around with nothing else to do

Chorus, Chorus

G C D G
Julie don t live here anymore (3 times)
