Electric Light Orchestra

Secret Lives (Balance Of Power)(Jeff Lynne)

(Chords K&ari Joensen)

(Intro) **A-F#m-D-E-A-E**

A **F#m**
I don t know, I don t know what s on your mind
D **E** **A** **E**
I thought everything was fine, but it was my surprise
A **F#m**
I don t know, I don t know what s going on
D **E** **A**
Something surely must be wrong, you re living secret lives

(Chorus)

G **D** **G** **A** **D** **G**
Living secret lives, secret lives
A **D** **Bm** **F#m** **E** **G** **E**
And I wonder where she goes to in the night in secret lives

Wish I knew, wish I knew where I fit in
Wish that I knew everything about your secret lives
If it means, if it means that much to you
I don t want to stop the things you do, I don t need alibis

(Chorus)

Living secret lives, secret lives
And I wonder where she goes to in the night in secret lives

(Solo)(Same as vers)

I don t care, I don t care what goes on there
As long as one day I can share, share your secret lives

(Chorus)

G **D** **G** **A** **D** **G**
Living secret lives, secret lives
A **D** **Bm** **F#m** **G** **A** **D**
And I wonder where she goes to in the night in secret lives
(repeat until fade)
