The Way Lifes Meant To Be Electric Light Orchestra

```
Intro A
verse 1
Well I came a long way to be here today and
I left you so long on this avenue...
And here I stand in the strangest land not
Knowing what to say or do...
As I gaze around at these strangers in town I
guess the only stranger is me...
And I wonder, yes I wonder... is this the
way life s meant to be...
verse 2
Although it s only a day since I was taken away and left
standing here looking in wonder...
Oh the crowd at my feet maybe it s just the old street but
every thing that I Know lies under...
And when I see what they ve done to this place that was
home, shame is all that I feel... Ohhh
