Fly, fly through a troubled sky
C **Dm** **Gadd9**
 Up to a new world shining bright, oh, oh

Flying high above
 Soaring madly through the mysteries that come
 Wondering sadly if the ways that led me here
 Could turn around and I would see you there
 Standing there

Ticket to the moon
 Flight leaves here today from satellite two
 As the minutes go by, what should I do?
 I paid the fare, what more can I say?
 It s just one way...

Repeat chorus:
