G#

Fly, fly through a troubled sky

Bb

Cm Fadd9

Up to a new world shining bright, oh, oh

Flying high above

Soaring madly through the mysteries that come

Wondering sadly if the ways that led me here

Could turn around and I would see you there

Standing there

Ticket to the moon

Flight leaves here today from satellite two

As the minutes go by, what should I do?

I paid the fare, what more can I say?

It s just one way...

Repeat chorus:
