Electric President - Safe and Sound
Tabbed by Alexander Nachaj

It doesn't seem like anyone else tabbed this song out yet, so I decided to give it a shot. The song is in A, and there might be another chord change at the end of the verses, but meh, sounds good enough.

(Piano Chord Opening) **A-A-A-A**

A **E**
you took your hits, wear the bruises on the soles of your feet
D
well, whos to say if they re deserved?
F#M
but you re turning reckless now, I hear you saying through your teeth,
A
that you ll take them down first
E
but I saw you flinch when the doctors got their claws in you
D

F#M
it s not so funny when you re sunk and there ain t nothing you can do
D
when your options are all dead ends
A
when there s no way out
E **D**
I ll let you build your home in me until the clocks run down
