BRIDGE

CHORUS

I know that I am fooling myself

I know what I'm wishing, just won't come true
I know the only man for you is him
But I'm afraid the only girl for me is you

CHORUS

The thought of you will stay with me
I'll never stop loving you
Even when the skies aren't blue
I'll never stop loving you
No matter how long it takes
I'll never stop loving you
No matter how long it takes
I'll never stop loving you
I'll never stop loving you
