

After Hours
Electric Six

After hours - i think this is pretty accurate all through out the verse it s
just D i think

D

Here comes Cokey Joe,
Looking to make it snow,
I wish I didn t know what I know,

D

And that s why you were hired, (hired!)
Don t do your job and you ll be fired, (fired!)

B

You can t get tired after hours, (hours!)

D

A

They building high in silver towers, (towers!)

B

They congregate here after hours, (hours!)

D

B

They tellin lies, that s how rumours get started and destinies die.

D

Oh! Oh! Oh-oh! x4

D

Here comes Sammy Smack , and he s been crashed up,
He gonna need a tranfusion of blood,
And all the ladies oughta dance, (yes!)
Another system of this business!
Forget about it, lose that dress, (dress!)
Give me a hug!
This is how the young girls dress in my club.
