

One

Eleisha Eagle

Em **B**
When I was a child it was hard to sleep
G **B**
So I lower my lids and I start to scream
C **G**
The louder scream you never heard
B
Then suddenly stop and repeat the word

Em

One

Em **B**
The older I got the more I repeated
G **B**
I multiplied ones till my mind I defeated
C **G**
And all the while there grew within
B
An army the strength of a million men

Chorus

Em
Though Iâ€™m one
G **D**
I can take you on
B **C**
I can take you on
G **D** **Em**
Although I am one

Em
Someday you may ask men
B
Who gives you the power
G **B**
But that will all dissapate this is my hour
C **G**
To rule and I would make you believe

B
Thereâ€™s no cookie cutter thatâ€™s cut like me

Chorus

Em
No Iâ€™m one,

G **D**
And I can take you on

B **C**
I can take you on

G **D** **Em**
Although I am one

G **D**
I can take you on

B **C**
I can take you on

G **D**
Now everyone listen carefully

Em **B**
The day draws near

G **G**
When the army within me

D **B**
Will announce and cheer

Chorus

Em
I am one

G **D**
And I can take you on

B **C**
I can take you on

G **D** **Em**
Although I am one

Em
I am one

G **D**
And I can take you on

B **C**
I can take you on

G **D** **Em**
Although I am one

G **D**
I can take you on

B **C**
I can take you on

G **D**
Although I am

Em
One.
