[Verse 3]

```
Love So Great
Elevation Youth
[Intro] Ñ...4
F Am G
[Verse 1]
You left Your throne in heaven up above
                  Am
To walk among the selfish and the hurt
             Am
Bearing all our sin upon the cross
               Am
          Dm
There is nothing like Your love
[Interlude]
F G F Am G
[Verse 2]
                     Am
You broke the power of darkness over all
                     Am G
You rose to life the victory was won
               Αm
The broken now Adopted as your own
          Dm
                Am G
There is nothing like Your love
          Dm.
                Am G
There is nothing like Your love
[Chorus 1]
            C G
Your love so great higher then the mountains
           C
                 G
Your love in me stronger than the raging seas
       C G
Your love so deep the anchor of my heart
          Dm
                Am
There is nothing like Your love (repeat second time and after bridge)
          Dm
                Αm
There is nothing like Your love
