Standard tuning

Capo 3

Intro: **C# G# Eb Fm**

**C#** **G#**  
They both met in the midnight sky,  
**Eb** **Fm**  
Got lost in each other s eyes,  
**C#** **G#** **Bbm7**  
Then threw away the map and lost the key,  
**C#** **G#**  
God sent them the first two kids,  
**Eb** **Fm**  
One named Fire, the other one Wind,  
**C#** **G#** **Bbm7**  
With a note that floated down for them to read.  
**C#** **G#** **Eb**  
It said You asked what it was like up here for Me.

**C#** **G#**  
Mother Earth and Father Ti-ime,  
**Eb** **Fm** **C#** **G#**  
Fell in love over Appalachian wi-ine,  
**Eb** **Fm** **C#** **G#**  
Hit a rough spell and almost lost their mi-inds,  
**Eb** **Fm** **C#** **G#**  
Raised a little hell before they fell in li-ine.

**C#** **G#**  
Fire came out with a restless soul,  
**Eb** **Fm**  
That only got worse as he got older,  
**C#** **G#** **Bbm7**  
Til finally he got too hot to tame.  
**C#** **G#**  
Time said Son I know it s hard but,

**Eb** **Fm**  
You re breaking your Momma s heart.  
**C#** **G#** **Bbm7**  
And Fire looked up through tears that made the rain,  
**C#** **G#** **Eb**  
He said Why is it everything I love I set aflame?

**C#** **G#**  
Mother Earth and Father Ti-ime,  
**Eb** **Fm** **C#** **G#**  
Fell in love over Appalachian wi-ine,  
**Eb** **Fm** **C#** **G#**  
Hit a rough spell and almost lost their mi-inds,  
**Eb** **Fm** **C#** **G#**  
Raised a little hell before they fell in li-ine.

**C#** **G#**  
Wind was born to the open sky with a,  
**Eb** **Fm**  
Bad temper and a wandering eye,  
**C#** **G#** **Bbm7**  
That kept him on the run for most his days.

**C#** **G#**  
Earth said Listen, hear my child, see,  
**Eb** **Fm**  
I used to run that wild,  
**C#** **G#** **Bbm7**  
Cause it s hard to put a finger on the pain,  
**C#** **G#** **Eb**  
But son you can t outrun a thing like shame.

**C#** **G#**  
Then Time and Earth got on their knees,  
**Eb** **Fm**  
And prayed Dear God, oh can t You see?  
**C#** **G#**  
The Fire s too hot, the Wind s too cold,  
**Eb** **Fm**  
And loving them is gonna kill us both.  
**C#** **G#**  
Then God reached down and took their hands,  
**Eb** **Fm**  
Dried their tears, and smiled and said,  
**C#** **G#** **Bbm7**  
That s kind of what it s like up here for Me.  
**C#** **G#** **Eb**  
Yeah, loving them will cost you every-thing.

**C#** **G#**  
Mother Earth and Father Ti-ime,  
**Eb** **Fm** **C#** **G#**

Fell in love over Appalachian wi-ine,

**Eb** **Fm** **C# G#**

Hit a rough spell and almost lost their mi-inds,

**Eb** **Fm** **C# G#**

Raised a little hell before they fell in li-ine.
