Standard tuning

Capo 3

Intro: **B F# C# Ebm**

B **F#**
They both met in the midnight sky,
C# **Ebm**
Got lost in each other s eyes,
B **F#** **G#m7**
Then threw away the map and lost the key,
B **F#**
God sent them the first two kids,
C# **Ebm**
One named Fire, the other one Wind,
B **F#** **G#m7**
With a note that floated down for them to read.
B **F#** **C#**
It said You asked what it was like up here for Me.

B **F#**
Mother Earth and Father Ti-ime,
C# **Ebm** **B** **F#**
Fell in love over Appalachian wi-ine,
C# **Ebm** **B** **F#**
Hit a rough spell and almost lost their mi-inds,
C# **Ebm** **B** **F#**
Raised a little hell before they fell in li-ine.

B **F#**
Fire came out with a restless soul,
C# **Ebm**
That only got worse as he got older,
B **F#** **G#m7**
Til finally he got too hot to tame.
B **F#**
Time said Son I know it s hard but,

C# **Ebm**
You re breaking your Momma s heart.
B **F#** **G#m7**
And Fire looked up through tears that made the rain,
B **F#** **C#**
He said Why is it everything I love I set aflame?

B **F#**
Mother Earth and Father Ti-ime,
C# **Ebm** **B** **F#**
Fell in love over Appalachian wi-ine,
C# **Ebm** **B** **F#**
Hit a rough spell and almost lost their mi-inds,
C# **Ebm** **B** **F#**
Raised a little hell before they fell in li-ine.

B **F#**
Wind was born to the open sky with a,
C# **Ebm**
Bad temper and a wandering eye,
B **F#** **G#m7**
That kept him on the run for most his days.

B **F#**
Earth said Listen, hear my child, see,
C# **Ebm**
I used to run that wild,
B **F#** **G#m7**
Cause it s hard to put a finger on the pain,
B **F#** **C#**
But son you can t outrun a thing like shame.

B **F#**
Then Time and Earth got on their knees,
C# **Ebm**
And prayed Dear God, oh can t You see?
B **F#**
The Fire s too hot, the Wind s too cold,
C# **Ebm**
And loving them is gonna kill us both.
B **F#**
Then God reached down and took their hands,
C# **Ebm**
Dried their tears, and smiled and said,
B **F#** **G#m7**
That s kind of what it s like up here for Me.
B **F#** **C#**
Yeah, loving them will cost you every-thing.

B **F#**
Mother Earth and Father Ti-ime,
C# **Ebm** **B** **F#**

Fell in love over Appalachian wi-ine,

C# **Ebm** **B F#**

Hit a rough spell and almost lost their mi-inds,

C# **Ebm** **B F#**

Raised a little hell before they fell in li-ine.
