

Drive Away

Eli Young Band

Can also be played at capo 2. Chords would change as follows: E->D, B->A, A->G, C#m->Bm, D->C

Intro: **E B A B** (x2)

Verse 1:

I saw the sun set low on that skyline
E B
Day was gone I was out of time
A B
As I let her walk out and say goodbye
E B
And I sat there on that street askin why
C#m A
I let her drive away
C#m A Asus4
I let her drive away

Verse 2:

She walked out that door threw that truck in gear
I m standing there alone drowning in my tears
Watched the tail lights as they disappeared
She was gone like I d always feared
As I let her drive away
I let her drive away

Chorus;

I sometimes think about her and what we had
E B A B
Everything about us was not that bad
E B A B
Wish I had done things different then she d have stayed
C#m A
But I let her drive away
C#m A Asus4
But I let her drive away

Solo (Same as Chorus)

Verse 3:

Every time I look back I can almost see
That mountain of regret overcoming me
That night she left stays in my memory
I never thought she would ever leave
And drive away
