

**Enough Is Enough**  
**Eli Young Band**

Intro: **Fm Eb/F# G#**  
**Fm Eb C#**  
**Fm Eb/F# G# Eb**

Verse 1:

**Fm Eb/F# G#**  
Another empty promise  
**Fm Eb C#**  
A good intention from the start  
**Fm Eb/F# G#**  
You failed to mention  
**Eb**  
Our love would be this hard

Iâ€™m tired of talking  
Donâ€™t have nothing left to say  
Well maybe something  
Weâ€™ll sift through the ashes one day

Chorus:

**Fm Eb/F# G#**  
I canâ€™t lean on you â€™cause I fall right over  
**Fm Eb C#**  
Canâ€™t count on you it doesnâ€™t add up  
**Fm Eb/F# G#**  
I see weâ€™re through and the truth is pretty sober  
**Fm Eb C# Eb**  
This is going nowhere enough is enough

Verse 2:

The hardest part in my choice to leave  
Was not quite knowing what Iâ€™d achieve  
But now I know I can be stronger on my own  
Thatâ€™s what sleepless nights and only God have shown

Chorus

**Eb Fm Eb/F# C#**  
Well I made up my mind I wonâ€™t have a change of heart  
**Eb C# Eb Fm**  
And Iâ€™ve removed myself from every single part of you

Solo (Same as Chorus)

**Fm Eb/F# G#**  
I canâ€™t lean on you

**Fm Eb/F# C#**

I can't count on you

Chorus (x2)

End: **C#**
