Verse 1:

F#m E/F# A
Another empty promise
F#m E D
A good intention from the start
F#m E/F# A
You failed to mention
E
Our love would be this hard

Iâ€™m tired of talking
Donâ€™t have nothing left to say
Well maybe something
Weâ€™ll sift through the ashes one day

Chorus:

F#m E/F# A
I canâ€™t lean on you â€™cause I fall right over
F#m E D
Canâ€™t count on you it doesnâ€™t add up
F#m E/F# A
I see weâ€™re through and the truth is pretty sober
F#m E D E
This is going nowhere enough is enough

Verse 2:

The hardest part in my choice to leave
Was not quite knowing what Iâ€™d achieve
But now I know I can be stronger on my own
Thatâ€™s what sleepless nights and only God have shown

Chorus

E F#m E/F# D
Well I made up my mind I wonâ€™t have a change of heart
E D E F#m
And Iâ€™ve removed myself from every single part of you

Solo (Same as Chorus)

F#m E/F# A
I canâ€™t lean on you

F#m E/F# D

I can't count on you

Chorus (x2)

End: **D**
