

How Should I Know
Eli Young Band

Intro: **E**

Verse 1:

E
If it feels so right Feels safe and sound
B A E
How can the sky be falling down
E
If it's all good love Two good hearts
B A E
How can we fall so far apart

Chorus:

C#m A E B
How can hearts be breaking in the middle of the night
C#m A E B
How can strings come unwound when they've held so tight
C#m A E B A
On the ride down this road if it's time, time to let go
B E
Tell me, how should I know

Verse 2:

If we're still on fire
The burn's still there
Why can't we find flames anywhere
If the sun still shines
No sign of rain
How come nothing's quite the same

Chorus

Solo (Same as Chorus)

Verse 3:

Can't help but think
I'll find the answer
Is lying right there next to her

Chorus

End: **E**
