

**Level**

**Eli Young Band**

Intro: **Am**(7)

Verse 1:

**Am**(7)

**E**(7)

Going through the change, when it rains it pours these days  
Nothing stays the same, you gotta find new ways  
To swim upstream, while you chase your dreams  
And in between you keep your sanity

Chorus:

**C G D A**

Waiting on life to Level

**C G D A**

Waiting on something stable

**C G D A**

Maybe soon I ll be able

**C G E5**

To rest my head again

Verse 2:

Never thought I d see the day, I d hear the old man say  
It could end this way, why did it end this way  
And the young kids know, they ll be on their own  
And you can t go home; no you can t go home

Chorus

Solo (Same as Verse)

Verse 3:

Ups and Downs, what goes around comes around  
They don t get the hint downtown; they try to hold you down

Chorus

Solo 2: **E5**

End: **E5**
