

**Mystery In The Making**  
**Eli Young Band**

Intro: **G Am C G**

Verse 1:

**G** **Am**  
The night time air's like a baptism  
**C** **G**  
And the way I'm feeling right now is strange  
**G** **Am**  
I think it's time to make some changes  
**C** **G**  
'Cause right now my outlook has changed

I feel like a dance that's lost it's rhythm  
A compass that can't find it's way  
But there's a headlight shining clearly  
Down a gravel road just off the interstate

Chorus:

**C**  
Take away the mundane  
**D**  
Calling on a new campaign  
**Em** **D** **C**  
Starting over now has got a real good ring  
**C**  
And under this circumstance  
**D**  
It's giving me a second chance  
**Em** **D** **C**  
Gonna trade a little peace for the suspense  
**C** **G/B** **Am**  
I'll let it fall wherever it'll take me  
**G**  
I love a mystery in the making

Verse 2:

If I knew how long I'd be living  
I'd rearrange a few habits of mine  
But tonight there's a full moon above me  
A set of rules that tonight I can't abide

Chorus

Bridge:

**C** **G** **D**

Oh I donâ€™t need a revelation

**C                    G                    D                    C   G                    C   G**

Oh I donâ€™t even need a sign

Chorus

End: **G Am C G**
